

**NIGHT SHELTERS AVAILABLE IN
WINTER 2019/2020
LISTED BY LOCAL AUTHORITY**

**LONDON WINTER
SHELTER LIST 2019/2020**

ABOUT THIS LISTING

This is a list of London Winter Night Shelters for winter 2019/2020, listed by local authority. Where there is no winter shelter available in the borough, we have attempted to include a year round night shelter.

This list will be republished up to once a week as more shelters finalise their details for the winter. Please check

<https://www.homeless.org.uk/connect/blogs/2019/nov/01/london-winter-shelters-list-201920-published> and download the latest version of the winter shelter list.

Most of the shelters listed are organised by local church or faith-based groups and operate in a different church hall or community space each night on a rota basis.

Two shelters can only accommodate men, otherwise they accept men and women, with most providing separate spaces for women where possible.

Nearly all the shelters do not charge guests. If you wish to donate to a winter shelter, please go to the website listed for the shelter.

Approximately one third of the shelters on this list will accept self-referrals, the others either refer from local agencies or from day centres, please read the referral route before contacting the shelter.

For help connecting to homelessness services:

Go to <https://www.homeless.org.uk/search-homelessness-services> (this works best with a postcode, if available)

Report a rough sleeper, or self-report using StreetLink

Website: <https://www.streetlink.org.uk/>

Phone: 0300 500 0914

Or search for the StreetLink app on the App Store for iPhone or Play Store for Android

If you are printing this list, please consider printing only the first 2 pages, and the Local Authority listings you think will be useful.
